I've set up a Team site for this meeting with separate channels for each session. Please provide feedback (speaker/topic/timing) on the attached draft session outline or post directly in the PFAS teams

channel by **Thursday, June 17** and send any meeting materials (powerpoints, handouts) no later than **Tues, June 22, 2021 (1 week from now)**.

Please feel free to reach out with any questions, clarifications. Thank you for your assistance with this important topic.
